

# FEBRUARY 6-8, 2014

## LAS CRUCES CONNECTS

Las Cruces Connects is a celebratory weekend of art exhibits, art based events, and performances taking place February 6-8, 2015. This artistic weekend, which takes place during "For the Love of Art Month", strives to create a connection between the University Art Gallery, Las Cruces Museum of Art, and all the various arts organizations within our community. For Friday, February 6, hop on our bus service to go between Las Cruces Collects at The Las Cruces Museum of Art and Las Cruces Creates at the University Art Gallery. The bus service starts at 5:00pm at the University Art Gallery, continues at 5:30 at the Las Cruces Museum of Art and alternates on the half hour after that until our last trip at 7:30 picking up at LCMA. For Saturday, February 7, 2015, we have created a map of each participating organization and will provide transportation by having a bus stop at 5 participating art locations from 12-4pm. See the inside of this guide for the map and a full bus stop schedule: There will be bus transportation at each of the bus symbols on the map.

We are very excited to see this cooperative come to fruition and we are so excited that so many Las Cruces art galleries and artist groups are taking part in Las Cruces Connects. Check out [WWW.LASCRCESCONNECTS.COM](http://WWW.LASCRCESCONNECTS.COM) for more info regarding this weekends events and specific gallery information.
